Dear Mr. Mauro

Thank you for Jan letter.

I do not know what fee

you are asking Mr. Perowce

for including his name in

Brace in his Anthology -

but I see the English

Association has not

included ^{it} in theirs after

all - & as I believe

Poems of Today has a

circulation of about 100,000
it would be kind
have been a good
advertisement.

I am glad to see
the Rambler, Sailer
and herein returning
the prop.

I have not made
the correction clear in
the last line but as
the word should be

spell where perhaps
you would be kind
enough to do so?

Sincerely yours
Charlotte New
