HOW TO KEEP PARISH RECORDS

Every Parish and Mission should keep three books or sets of books. The PARISH REGISTER is kept by the Rector; the MINUTE BOOK by the Clerk of the Vestry; the FINANCIAL ACCOUNT BOOKS by the Treasurer. All three are to be open to all proper parties at all times.

The PARISH REGISTER contains the vital records of the Parish, and is legal evidence as to births, marriages, and burials. It is to be examined by the Bishop at his annual visitation. The records should be entered *immediately* upon performance of any office, by the minister himself. The Marriage Record should invariably be signed by each of those parties specified in the Canon. [In the larger Registers, the Marriage Register constitutes a second volume.]

All permanent entries should be recorded in black ink. Temporary memoranda as to Communicants—as “can’t find”, “ceased to communicate”, etc.—if made, should be in pencil as easy to erase and not proper as matter of permanent record. No name should ever be erased or scratched. Every name, once entered, must be accounted for in the Register. Where communicants are transferred to another Parish, enter “transferred to A. B.”, with date. If Letter of Transfer is not issued, enter “removed to A. B.” It is wise in such instances, to apprise the Rector of the parish into which such parties have moved.

A new name entered on any page should also be entered in the Index. The Index should refer to each page upon which any name is entered for any purpose.

Suitable blanks and certificates for Marriage, Letters of Transfer, Applications for Baptism and other offices, Blanks for Family Record, etc., may be obtained from the Publishers of this Register.

1	Osmond Henry Brown p.d.w. B.W.	Oct. 1st. 1923

HISTORICAL DATA

N.B. In 1923 St. Philips parish was indebted to the extent of over \$2,000.00.

The General Condition of the parish through the mal-administration of the Rev. E. P. Bennett was one of chaos. Bishop Brent and the Vestry called the Rev. Osmond Henry Brown from St. Monica's Mission Hartford, Connecticut to become rector of the above parish. He accepted the call and his incumbency began on Oct. 1st, 1923.

Conditions being as they were the new rector launched a three thousand dollar drive for the redemption of the parish. The Redemption Fund was actually \$3,036.00. The Bishop was paid in full \$1962.35. The 63rd Anniversary was one of uniqueness in that it celebrated the drive in the form of a banquet. The Bishop having been called to the Meeting of the Board of Overseers of Harvard University was unable to attend the banquet but asked to be given the privilege to preach the Anniversary sermon. The 63rd Anniversary Sermon was preached by Bp. Brent on May 11th while the banquet was held on May 12th. The feeling of goodwill and businesslike action were established once more.

The rector's efforts brought about a spontaneous action for the purchasing of a parish car. The car was bought on June 18th, 1924.

For the year 1924 St. Philips raised \$6,412.57, Sunday School over one hundred dollars. This is the largest amount that was ever raised in their history. In the same year the rector, Fr. Brown presented the largest Confirmation class in its history, there being 42 persons in the class. Within a period of 16 months 82 persons were taken into the church.

The first parochial mission was held March 13th to 29th inclusive. In this mission the interest was shared between the white and the colored groups. 66 persons made their confession at that time. It was a great blessing to Buffalo and to the parish.

THE CANONICAL
Marriage Register

COMPILED IN ACCORDANCE WITH

The Canons of the Church in the
United States of America

BEING VOLUME II OF
"The Canonical Parish Register"

MOREHOUSE PUBLISHING CO.
MILWAUKEE, WIS.

CANON OF MARRIAGE AND DIVORCE

§ 1. Ministers of this Church shall be careful to secure the observance of the law of the State governing the civil contract of marriage in the place where the service shall be performed.

§ 2. [i.] No Minister shall solemnize a marriage except in the presence of at least two witnesses.

[ii.] Every Minister shall without delay formally record in the proper register the name, age, and residence of each party. Such record shall be signed by the Minister who solemnizes the marriage, and, if practicable, by the married parties, and by at least two witnesses of the marriage.

§ 3. No Minister, knowingly after due inquiry, shall solemnize the marriage of any person who has a divorced husband or wife still living, if such husband or wife has been put away for any cause arising after marriage. But this canon shall not be held to apply to the innocent party in a divorce for adultery; *provided*, that before the application for such remarriage a period of not less than one year shall have elapsed, after the granting of such divorce; and that satisfactory evidence touching the facts in the case, including a copy of the Court's Decree, and Record if practicable, with proof that the defendant was personally served or appeared in the action, be laid before the Ecclesiastical Authority, and such Ecclesiastical Authority, having taken legal advice thereon, shall have declared in writing that in his judgment the case of the applicant conforms to the requirements of this canon; and, *Provided further*: That it shall be within the discretion of any Minister to decline to solemnize any marriage.

§ 4. If any Minister of this Church shall have reasonable cause to doubt whether a person desirous of being admitted to Holy Baptism, or to Confirmation, or to the Holy Communion, has been married otherwise than as the Word of God and discipline of this Church allow, such Minister, before receiving such person to these ordinances, shall refer the case to the Bishop for his godly judgment thereupon: *Provided, however*, That no Minister shall in any case refuse these ordinances to a penitent person in imminent danger of death.

HOW TO USE THE MARRIAGE REGISTER

The Canon governing the use of this Register will be found on the preceding page. It is required that each entry "shall be signed by the Minister who solemnizes the marriage, and, if practicable, by the married parties, and by at least two witnesses of the marriage."

A convenient way to secure these signatures will be to have the Marriage Register, lying open at the appropriate page, resting on a table standing in the Church Porch, pen, ink, and writing conveniences being also provided. The preliminary entries prior to the signatures should have been made in advance. As the bridal party passes out of the Church, they should be stopped as they pass the table, and the signatures should then and there be affixed. The bride, signing first, should append her full signature, thus: "Mary Elisabeth (Jones) Smith", her maiden name being within the parentheses. The signature of the groom will follow, then those of "at least two witnesses". Space is provided in the Register for the signatures of eight witnesses. The officiating minister should sign last of all, immediately after he has returned from the vestry, and before the Register has been removed from the table.

Detailed instructions should have been given to the Bridal party in advance, as to order and place of signatures and as to the style of the signature of the Bride; and an usher or attendant should have the custody of the Register and the table which supports it, continuously, before, during, and after the solemnization, until the Register is removed from the Church.

In the event of the marriage of any divorced person, according to the terms of the Canon, care should be taken to enter the date of the decree granting such divorce, which must be "not less than one year" prior to the time of this marriage; and also the name of the Court which granted the decree. The "satisfactory evidence touching the facts in the case", with "a copy of the Court's decree, and Record if practicable", and the "judgment" of the "Ecclesiastical Authority" "in writing", should in every instance be carefully preserved among the Parish archives, unless the Ecclesiastical Authority in any Diocese may arrange (as would be wise) for the lodging and safe keeping of all such papers among diocesan archives.
