

RECORD OF SERVICES

THE AUTOMATIC SERVICE REGISTER

Published by The Rev. Frank Damrosch, Jr., Brockport, N. Y.

St. Philip's Church *Buffalo, N. Y.* Diocese of *Western New York*

DIRECTIONS FOR USE

Number the first service of each kind as No. 1 IN ITS PROPER COLUMN; The second service of the SAME KIND as No. 2, etc.

In beginning a new page always write in the "carried forward" space the last figure in each column on the preceding page. The headings of these columns correspond to those of the uniform parish report blank; so that at the end of the year the last number in each column will give the number of services to be reported under that heading.
