W
The Power of Silence
by H. D. Dwyer

My dear Mr. Millard

Your good kind helpful letter
has cheered & comforted me -

I read through your letter twice
yesterday - the place you marked
& must think over them -

I quite understand how it is
your value is & that it has
helped you - I remember now

an old Catholic priest - a
good old man - once saying

"You are always thinking
of the Saviour - " If he was
with us here - if we could only
see him - oh ye of little
faith!" But faith is given

us like every other good
gift ~~and~~ if we haven't got
it we can but pray for it.

one faith I have - that is in the
wonderful everlasting loving kindness
of my friends who have borne so
much & done so much for
me - & where that came from
I cannot doubt.

I am so glad
to hear you got back all
right - I am just doing up
my little book with this
note for you to take back
with you - as I don't want
it to get mislaid

With grateful love to you

Ever affectionately
Charlotte New.
