NEXT TUESDAY night, Ch. 7 will televise a two-part program entitled Two Approaches to Black Identity, both segments locally produced. It will again pre-empt Thief as well as the repeat of NYPD between 8:30 and 10 PM next week.

The first 90-minute segment consists of seven films produced by a movie-making workshop of 20 core city teen-agers, members of the Downtown YWCA. The second segment concerns experiences of black students at State University of Buffalo.

Ch. 17 runs a three-part educational series, Americans From Africa, Mondays, Tuesdays and Thursdays at 6:30 PM. ³⁴
