The responses were fun and the audience was enthusiastic as Greeks and a non-Greek organization, the Black Student Union, came together in fun for a friendly basketball game competition.

BSU won for the third consecutive time over Phi Beta Sigma in this annual basketball competition by beating them 83-72, on April 24.

Rich Howe, BSU member and team player said "They're (Phi Beta Sigma) just like the (Buffalo) Bills, three times and their out."

After disposing of Phi Beta Sigma, the BSU team lost to Kappa Alpha Psi, 48-42.

"It was a well played game on both sides," said Edward Craig, coach for the BSU squad. "I just think our guards were well able to get out on the break and create for the others more than the other team."
