Welcome to the Black Student Union At The University of Buffalo

The Black Student Union was founded in 1967 and recognized by the Student Association in 1968. The Black Student Union was the first club of color on campus and was founded during a time of struggle for Blacks in America and throughout the world.

The Black Student Union's goals are:

- Preserving and perpetuating Black culture, dignity, and self-awareness.
- Emphasizing the existence and the role of Black Students at the University at Buffalo.
- Increasing admission of Black Students into the University at Buffalo.
- Attacking problems of Black Culture stemming from American society.
- To educate members and non-members on issues that have previously and presently affect the Black community.
- To increase understanding of different cultures within the Black Community.
- To help increase self-knowledge and understanding.
