FOR RELEASE: ON RECEIPT

BUFFALO, N.Y. -- The Black Panthers in America: A Film Record will be the subject of a film series to be presented at the Norton Conference Theatre at the University of Buffalo on September 22 and 23. Films to be shown include The Murder of Fred Hampton, American Revolution 2 and Stagolee, a filmed interview with the Black Panther leader Bobby Seale.

The Murder of Fred Hampton will be introduced by its editor, Howard Alt at 8:00 on September 22 at the conference theatre. Mr. Alt and the film's director, Mike Gray, were producing a documentary about Fred Hampton and the Chicago Panthers at the time of the Police raid that resulted in Fred Hampton's death. The Murder of Fred Hampton is an examination and refutation of the Chicago Police assertion that the killing of Hampton and Panther Mark Clark was a result of a police/Panther gunfight.

The Murder of Fred Hampton will also be shown at 1:00 on both September 22 and 23 at the Conference Theatre.

Howard Alt both filmed and edited American Revolution 2, a study of the 1968 Democratic Convention and the reaction to it by the Panthers, the Young Lords and the Young Patriots, a white revolutionary organization. American Revolution 2 will be shown on September 22 at 3:00.

Stagolee will be presented on September 22 at 4:30 and on September 23 at 2:30.

All events are open to the public.

Admission to all films is free.
