HOW TO KEEP PARISH RECORDS.

Every Parish and Mission should keep three books or sets of books. The CHURCH REGISTER is kept by the Rector; the MINUTE BOOK by the Clerk of the Vestry; the ACCOUNT BOOK by the Treasurer. All three are to be open to all proper parties at all times.

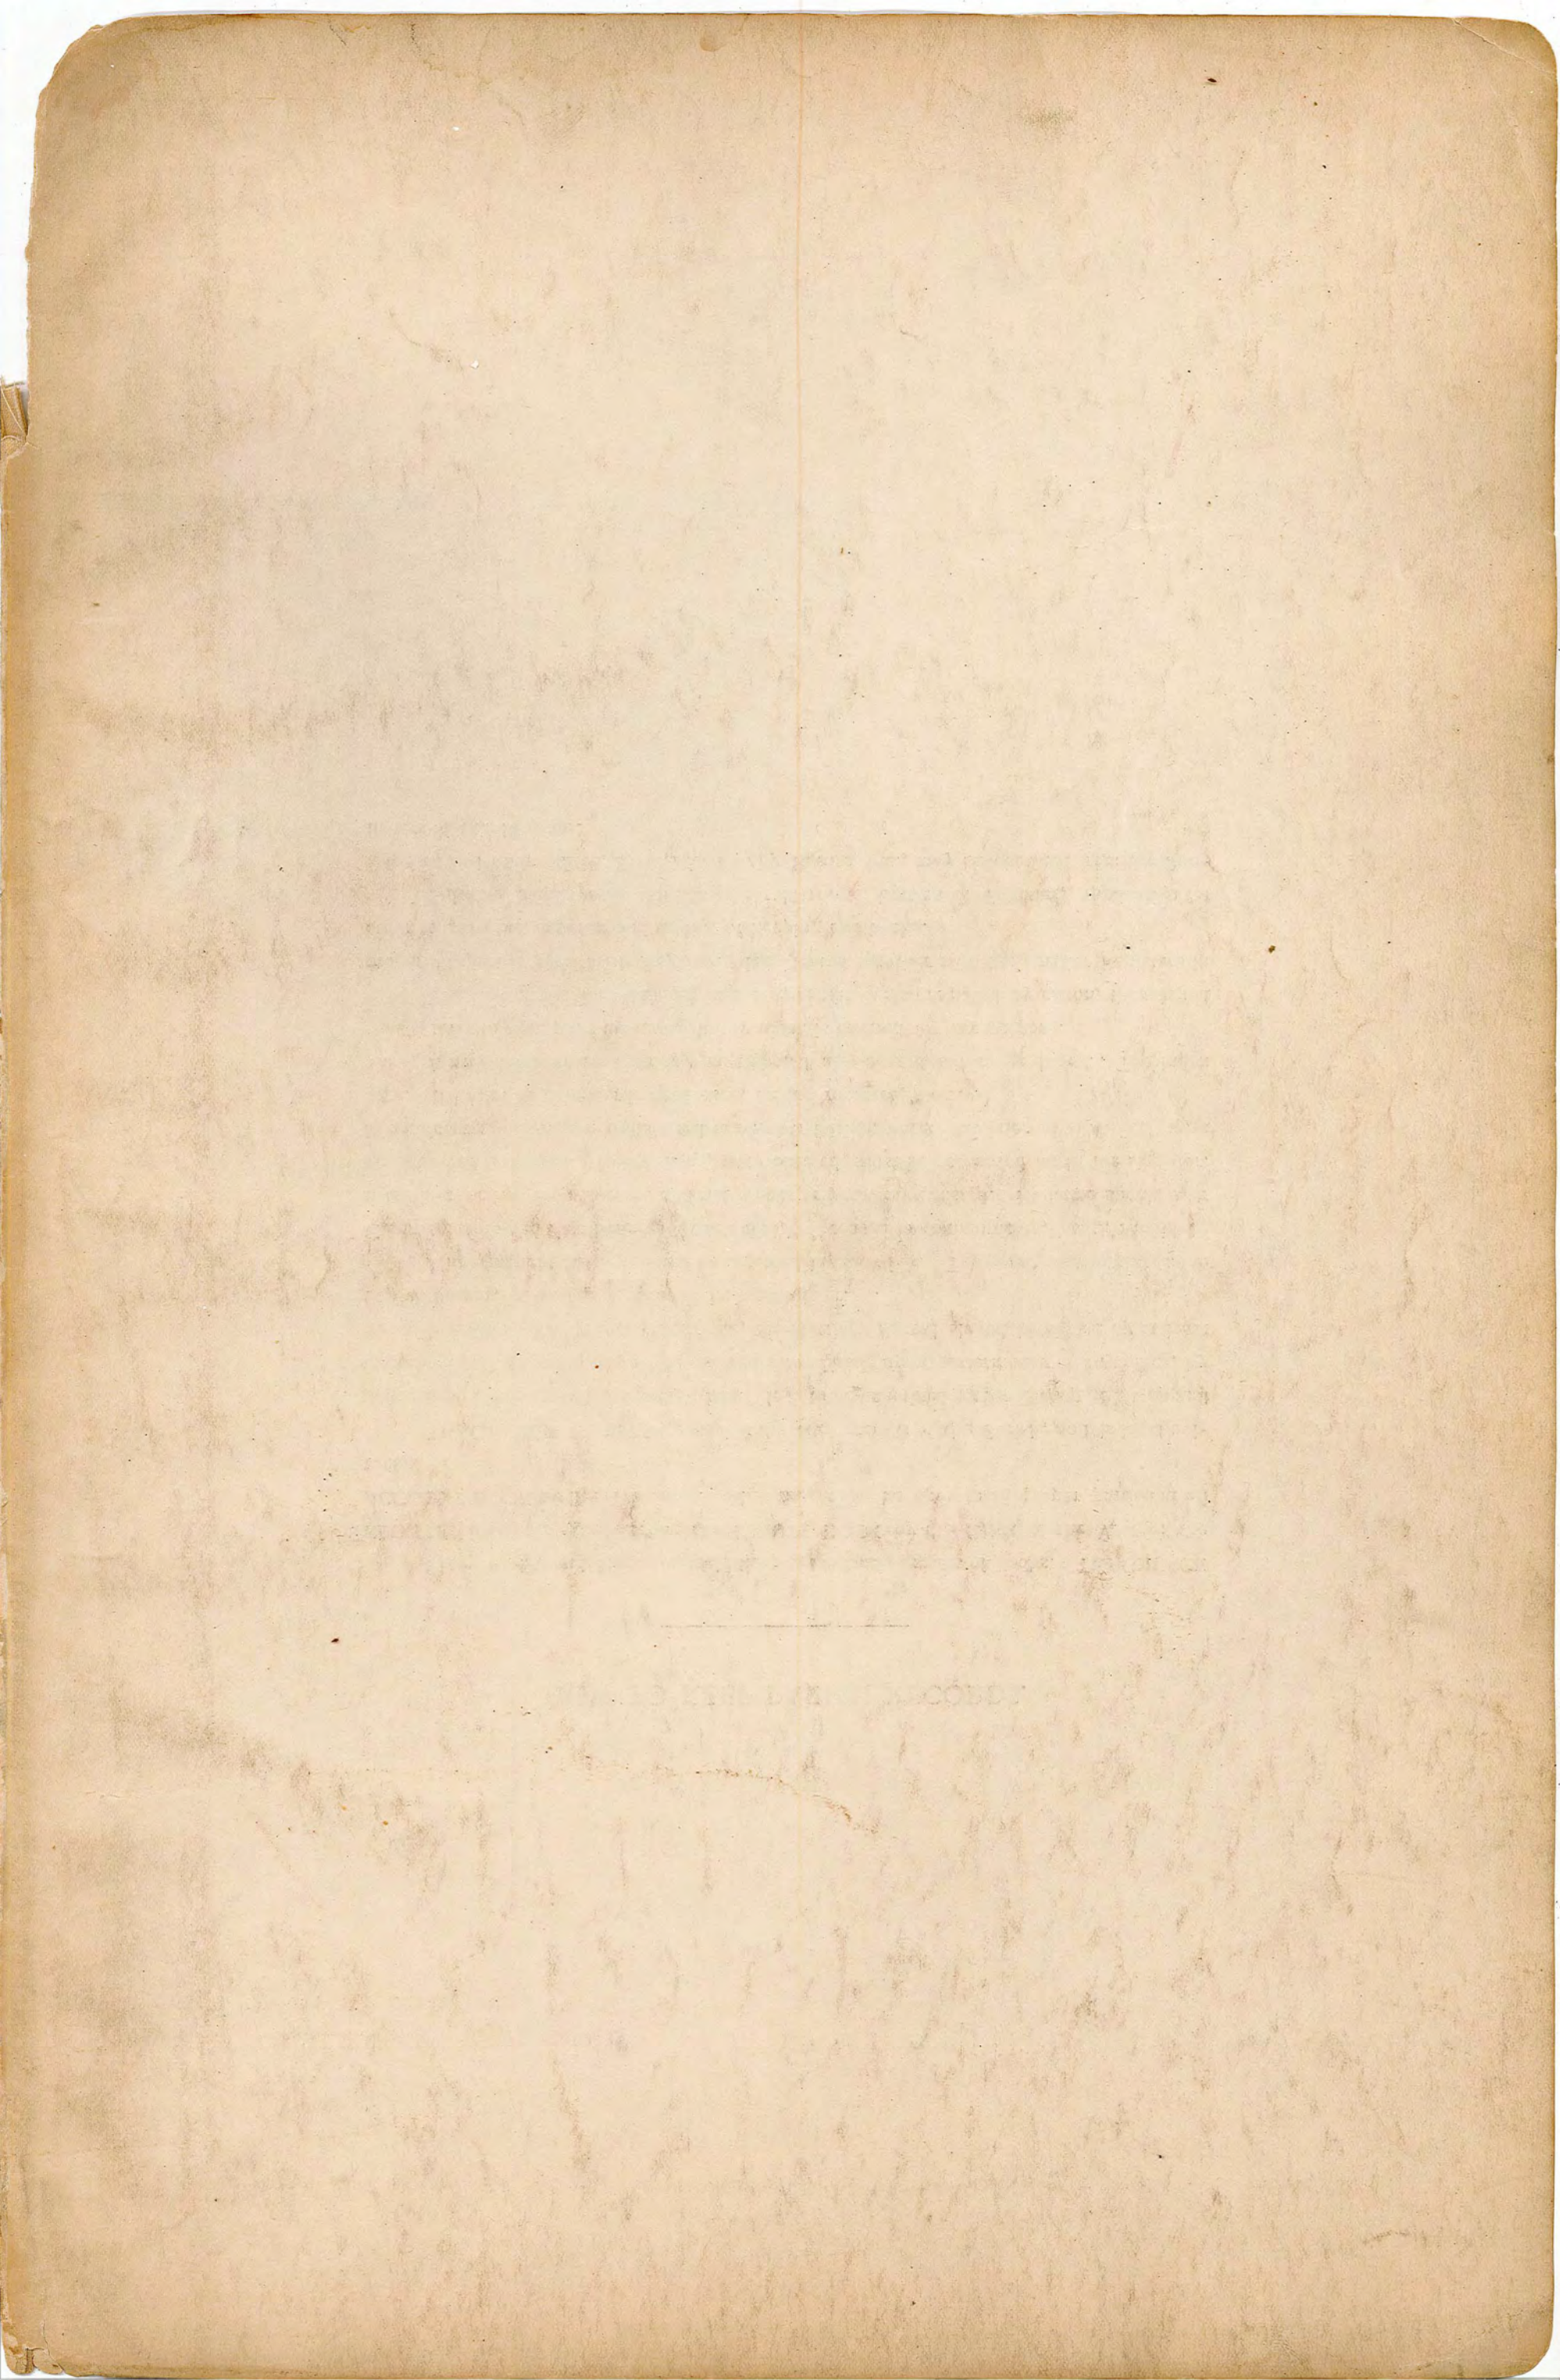

The CHURCH REGISTER contains the vital records of the Parish, and is legal evidence as to births, marriages and burials. It is to be examined by the Bishop at his annual visitation. The records should be entered *immediately* upon performance of any office, by the minister himself. Where practicable, the Marriage Record should be signed by at least two witnesses, as well as by the officiating minister.

All permanent entries should be recorded in black ink. Temporary Memoranda as to Communicants and Families—as “can’t find,” “ceased to communicate,” etc., should be made in pencil as easy to erase and not proper as permanent record. No name should ever be erased or scratched. Every name, once entered, must be accounted for in the Register. Where communicants are transferred to another Parish, enter “transferred to A. B.,” with date. If Letter of Transfer is not issued, enter “removed,” etc.

A new name entered on any page should also be entered in the Index. The Index should refer to each page upon which any name is entered for any purpose.

The List of Families entered in the Appendix is also required by canon, though not properly a part of the Parish Register. It is bound together with the smaller Registers in order to save the expense and trouble of keeping two books.

Suitable blanks and certificates for Marriage, Letters of Transfer, Application for Baptism and other offices, Blanks for Family Record, etc., may be obtained from the Publishers of this Register.

" Some of these clergymen were not in residence as rectors,
 giving their services as needed. The majority however were
 bona fide rectors or ministers in charge of the parish for a
 long or short period, chiefly short.

Bishop Cox & a number of laymen also served the
 parish during intervals.

Each of these ministers contributed more or less to
 the real status of the work to-day and we must be just
 enough to give them one and all, their full need of praise
 and credit for what they did, and the many years of the
 journey Godward they helped the parish to pass over
 successfully. "

July 1916 The Revd E. Robt. Bennett, B.D., at the time Rector of St. Augustine, Camden, N. J. Diocese of N. J. was invited to accept the rectorship of St. Philip's Parish, Buffalo, N. Y.

The parish had been vacant for more than a year. Congregation scattered. Intermittent services being held by laymen, members of the Brotherhood of St. Andrew.

He accepted the call at a salary of \$900.00 a year, & the use of the parish house for a rectory.

His services as rector began August 1, 1916.

By arduous and persistent labors and a house to house search & visitation, some fifty communicants were gathered and regular services conducted.

The Roman Mission of St. Augustine had been organized during the vacancy of rector at St. Philip, and several families & individuals of real worth had defected to Rome.

The coming of Fr. Bennett prevented a greater loss.

Guilds & other societies & organizations were organized & began to function. A rapid increase in the congregation was noted. A fine large choir, a splendid working Woman's Auxiliary, Young Men's Guild etc. aided in the bringing of new life. Large classes for Confirmation were trained & presented. Many new additions to the communicant list made from new arrivals to the city and others who had drifted away formerly.

In May 1918 the 57th Anniversary of the parish was held with a glorious celebration of services, reception & banquet.

During this period with the assistance of the other families of the city, The Churchman's Club, under Dr. Mann, and many other individuals, funds were raised. A new heating system was installed, also complete electric lighting, the church renovated & decorated. Prosperity & success were noted on every hand. The Rector's salary was increased.

During the war period, St. Philip's Parish & Rector took front rank in the war activities, Red Cross work, Liberty Bond sales, knitting & sewing for the soldiers.

A flag raising was held. Old flag flying from the top of the Church. A service flag was dedicated in memory & honor of the youth called to the colors.

A Boy & Girl Scout Troop rendered invaluable service to the parish & the community under the direct guidance & leadership of the Rector Fr. Bennett & his estimable wife, Mrs. Bennett. For six years these two organizations functioned & flourished & were the only ones in the city.

A unit of the Home Defense Guard was organized and offered its services intact with full personnel of officers & women to the authorities.

Many distinguished Prelates & visitors gladly attended the services & various social functions. Among whom were the two Negro suffragan Bishops, Dr. L. J. Drane & Dr. J. M. Drane for whom receptions were held & offerings raised & presented to aid their work.

The Rector & Parish lead in the social service work of the city.

The coming of the Nation Wide Campaign proved a great blessing to the Parish.

Several questionnaires had been filled & filed with their department, and a campaign of education assiduously carried on by the Rev. Fr. Bennett, through addresses, speeches, city wide canvass, tour of inspection with committee, facts & figures, requesting a new plant for the Parish.

In February 1921. The work & prayers of the many were answered and through the decision of the Bishop of the Diocese & the W. W. C. Executive board. The Rector, Wardens & Vestry of St. Philip's Parish, deeded their old property on Elm St. to the Bishop for his disposal & accepted the complete plant of St. Andrew's Parish on Goodell St. into which possession the Parish moved & held their first service on Ash Wednesday 1921.

Some of the parishioners were not reconciled to the removal especially when they found that a \$10,000.00 mortgage was held against the new St. Philip.

The peace and harmony of the parish were broken. Many questioned the leadership of the Rector & themselves assayed to lead & take matters into their own hands.

The Rector was compelled to submit his resignation & leave the Parish on council & advice of the Bishop, who took full charge of the Parish & its affairs, paying the Rector in full all monies due.

On Sunday Sept. 9, 1923 the Rev. Fr. Bennett, D.D. held his farewell services and preached to large congregation a message of love & gave council & advice for unity, cooperation and loyalty to the Rector & leader of the Parish.

In the little more than seven years Rectorship
84 Baptisms, 101 Confirmations, 36 Marriages,
54 Burials, 76 persons rec'd otherwise.

Services 1970. Holy Eucharist celebrated 756
Communion to sick & afflicted 184.

Raised & expended in round numbers \$26,000.00

At the time of his resignation the Rector's salary was \$2,000.00 a year with house, heat & light.

Organist salary \$5.00 weekly. Sexton salary \$5.00 weekly
Many repairs and improvements were made in the Goodell St property, which was in bad shape when received.

Signed, — E. Robert Bennett, D.D.,
August 31, 1923. Rector.

The incumbency of the Rev. Osmond Henry Brown, B.A. p.d.m. B. A. L. began on October 18th, 1923

The parish was without cash and ^{the people had no} interest at the time of my incumbency. Bishop Brent loaned two thousand dollars to the parish before my time of office. This money was used to pay up old debts of long standing in the parish.

The first task before the new rector was to create a new racial morale. This was done tactfully and successfully. Next we started a three thousand dollar drive from November 1st, 1923 ^{to} Easter day of 1924. We surpassed the three thousand (£3,090.00) and so the parish regained its old status in the diocese.

The members of the parish knew little - and in some cases nothing - about Religion. The next step after raising the Redemption fund was the establishment of the Christian Religion - the Catholic faith. This is the worship of this parish. The mass from Dec 1, 1923 was the central act of worship. With ^{few months} began the daily mass; except Wednesdays when there is a mass at 10:30 A.M. followed by instruction and intercessions. This service is under the confraternity of the Blessed Sacrament.

Osmond Henry Brown D.D.
Rector
