Dear Maria

It is shameful of me not to have
written sooner & thanked you (as I do
gratefully now) for looking about for
us at Chichester - I rather fancy the
Northgate (with A. I think) would
be "quieter" - so I've been untiringly turning
a variety of matters for some so far
with poor result. If I can I shall go
Thursday & look round. & wonder
if you could look in & tell me at
Studio Wednesday. - Please send
p.c. as I should have come up to see
you - & hope to hear good news
of Family - & to see a sample
film. - I am sending a formal
permit in a broad cast the
changeling - at next time

(if I can see) I should like the
Barshop to send a pass a
a formal request. otherwise
the record of such things get
lost. I don't know how long
we shall be at Chicheltō -
it depends on if we are
camping. Will you kindly
register my ~~name~~ address
at the Barshop - at
Hogarth Studios
69 Chancery Street.

Fitzroy Square
W. 1.
at stop Melancon Street
altogether. I will forward a
see you Wednesday. With love
J. E. M.
